**\$10,000 Jade Idol Reported Recovered**

The famous Chinese jade idol of Dr. Sun Yat Sen, which was stolen and for which a reward of \$10,000 was recently offered, has been recovered, according to advices from Washington. If this is true, the return to power of Dr. Sun is considered certain. Aleister Crowley, who offered the reward, could not be found last night, and the story of the gem's recovery is not confirmed.
