I WAS DELIGHTED to receive your unprejudiced brochure.

Naturally, I am a warm adherent of General Franco's, being, like all of us, a humanitarian.

The destruction of so many beautiful objects, and the massacre of so many innocent persons, makes one pity profoundly the ignorant red masses—subsidized by Russia—in Spain.

Do you not agree?

Evelyn Waugh

I KNOW SPAIN ONLY AS A TOURIST and a reader of the newspapers. I am no more impressed by the "legality" of the Valencia Government than are English Communists by the legality of the Crown, Lords and Commons. I believe it was a bad Government, rapidly deteriorating. If I were a Spaniard I should be fighting for General Franco. As an Englishman I am not in the predicament of choosing between two evils. I am not a Fascist nor shall I become one unless it were the only alternative to Marxism. It is mischievous to suggest that such a choice is imminent.
