No. III, 5s.

No. IV, 5s.

No. V, 6s.

No. VI, 6s.

" . . . a huge wealth of knowledge . . . a big flow of occult thought."—*Light*.

" . . . recommended to anyone who has a spark of intellectual curiosity."—*Occult Review*.

" . . . a vast amount of occult erudition."—*Morning Post*.

" Permanent in its stately size and type, continuous in its periodical character, permanent—in the value of its contents."—*Vanity Fair*.

" . . . much in it to attract readers who wish to see further through the milestones than one can do with an ordinary horn-rimmed pair of spectacles."—*The Scotsman*.
