KINCHINJUNGA STILL UNCONQUERED.

SWISS LIEUTENANT KILLED.

Berne, September 10.—News has been received from Dr. Jacot-Guillarmod's expedition, which went to the Himalayas and endeavoured to scale Kinchinjunga (28,156ft), or at least to beat the record made by Mr. Graham on that mountain.

The expedition, which left Darjiling on Aug. 8, was composed of Dr. Jacot-Guillarmod, of Neuchatel, Mr. A. E. Crowley, engineer, of Ireland, Lieutenant Alexis Pache, of Morges, and Mr. Charles Reymond, of Neuchatel. No Swiss guides accompanied the party, and the British Government supplied an escort of Gurkhas, who are capital mountaineers.

The following telegram has been received from Darjiling —" This is dispatched from our highest camp on September 1. Pache has been swept away by an avalanche and killed. Insurmountable difficulties, caused by natives, compel us to retrace our steps, and we are returning to Darjiling, where we expect to arrive about Sept. 20."

M. Pache was a lieutenant in the Swiss cavalry, he was thirty-one years of age, and most energetic in character. He joined the expedition chiefly in order to hunt in the Himalayas. His love of adventure led him to fight among the Boers in the late war in the Transvaal.—Reuter.
