Control of Kosher Fascists

Major General J.F.C. Fuller, who writes the only 'anti-semitic' article in Moseley's Fascist Quarterly, is now known to have been initiated into the Probationer Degree (for which an oath is necessary) of the "A.A." (Atlantean Adepts), an occult society whose nominal head, at the time of his initiation, was the notorious Aleister Crowley.

In Fuller's book, *The Star in the West*, appear the following remarks, under the heading—"CROWLEYANITY."

"God will permit a discovery of the highest importance to be made, it must be hidden till the advent of the artist Elias. Thus prognosticated Paracelsus, and further that divine philosopher predicted: And it is true there is nothing concealed which shall not be discovered: for which cause a marvellous being shall come after me, who as yet lives not and who shall reveal many things.

"And I for one take it that the prophecy has been fulfilled. Aleister Crowley is the Artist Elias, the marvellous being whom God has permitted to make a discovery of the highest importance in his illuminative philosophy of Crowleyanity, in the dazzling and flashing light of which there is nothing concealed which shall not be discovered. . . .

"It has taken 100,000,000 years to produce Aleister Crowley. The world has indeed laboured, and has at last brought forth a man. . . .

"And as the doctrine taught by Jesus Christ became known as Christianity, so let this theurgy, as expounded by this marvellous being, be known as Crowleyanity; or in other words, according to the mind of the reader, Pyrrhonic Zoroastrianism, Pyrrhonic Mysticism, Sceptical Transcendentalism, Sceptical Illuminism or what you will; for in short it is the conscious communion with God on the part of an Atheist. . . .

(The heavy type used above is our own.)

However, Fuller seems to have quarrelled with Crowley, for in the *Equinox*, October, 1913 (Crowley's paper), there appeared the following announcement:—

"The Chancellor of the A.A. wishes to warn readers of the *Equinox* against accepting instruction in his name from an ex-probationer, Captain F. F. C. Fuller, whose motto was *Per Ardua*."

Previous to this (September, 1910), Fuller had written an article jointly with one George Raffalovich (a Jew) in *The Equinox*, entitled 'The Eyes of St. Ljubov.'

Fuller's latest book on Yoga (1933), refers to "two great Western occultists, Abramelin the Mage and Eliphaz Levi."

The Fascist has always warned its readers against Jew-controlled "Bastard Fascist" movements, designed to bring Fascism into disrepute, and furnished with heavy funds from anonymous sources. We should like to know how many more of Mosley's officials have been, or are, members of secret Jewish occult societies. For Crowley's link with Judaeo-Freemasonry, see our pamphlet "Freemasonry" p.p. 11 and 16.

Aleister Crowley

In case any or our readers have forgotten the nature of Aleister Crowley, we reprint a few extracts from *Light Bearers of Darkness*, by 'Inquire Within.'

". . . In 1905 Crowley went to India . . . In November of that year he was in Calcutta, and his night-prowling in the bazaars ended in such serious trouble that he, his wife, and young child left precipitately . . . In 1922, we hear of him in his

'Abbey' at Cefalu, Sicily, to which, according to the Sunday Express, . . . he enticed a brilliant university man of 22 and his young wife, and there, after going through unspeakable horrors, the young man died . . . Crowley was cleared out of Sicily by the Italian Government . . . and only recently (April 1929) was he asked to leave France on the score of his immoral cults and practices."
