LETTERS.

Service With a Smile.

Sir: The heartiest thanks of the Canadian Art Guild are due, it is felt, to the authorities of the Vancouver Art Gallery for their prompt and courteous consideration of our aims and objects.

A printed copy of these was handed to the curator, Mr. Grigsby, on Saturday, November 18. On Wednesday, November 22, it was announced that additional fire protection had been arranged.

A fine selection of the permanent collection (see Clause 8) was displayed in the halls and south gallery when I attended the excellent exhibition "British Columbia at Work" recently
