

THE SURVIVAL OF MAN. By SIR OLIVER LODGE. Methuen. 7s. 6d. net.

This book is a singularly lucid and complete statement of the work of many noble lives. We believe that the S.P.R. has taken up a most admirable position, and wish greater success to their work in the future. If they would only train themselves instead of exercising patience on fraudulent people, whose exploits no sane person would believe if God Himself came down from heaven to attest them, they might get somewhere.
