

ΚΕΦΑΛΗ ΙΒ

THE DRAGON-FLIES

IO is the cry of the lower as OI of the higher.  
In figures they are 1001 ;<sup>9</sup> in letters they are  
Joy.<sup>10</sup>

For when all is equilibrated, when all is beheld  
from without all, there is joy, joy, joy that is  
but one facet of a diamond, every other facet  
whereof is more joyful than joy itself.
